Fermata Charitable Events

At Fermata, we often do good stuff too! #FermataTeam and #FermataStudents love to help others. In over 10 years of business, we helped many people and families by organising various music fundraisers and events. A few such events are worth mentioning in this little Induction Pack. Join us at the next charitable event this December!

We raised over €5000 for UKRAINE in March 2022

Over €1,500 was raised in Aid of Ewa - #FermataStudent who required very complex eye surgery.

Over €700 was donated to Temple Street Children's Hospital.
